Dear Colleagues, Supporters and Friends,

On March 28th, 2019, we will host an event entitled **“Rhode Island Women Leading Innovation: Paving the Path, Shaping the Future.”**

The event will take place at the RISD main gallery. The purpose of the event is to **celebrate Israeli and Rhode Island women in business, research and academia**. Keynote speakers’ success stories will motivate all. The event will **highlight professional women's achievements** and **provide inspiration** at a time when it is so necessary to honor women and their direct involvement in business both, academia and research. The event will connect Rhode Island and Israeli business, research and academia women, providing excellent networking opportunities.

We hope that you or your organization can become a sponsor or supporter of such a timely and important event. For your convenience, I have attached a [link to sponsorship opportunities](#), and I hope you can assist by becoming a sponsor or forward it to others who may be interested. Please join us to applaud and celebrate Israeli and Rhode Island women's accomplishments.

If you would like to talk in person, please do not hesitate to contact me at 401-486-1152, or by email at info@theriic.com and we can set up a time to meet in this regard.

Thank you in advance for any assistance or partnership you can extend,

Avi Nevel

PS. See [link](#) to recent success of our effort that has already helped to shape the Israel/Rhode Island ecosystem in innovation.
